Our Mission

Tagore International School is an innovative and creative international school family where all our stakeholders like- Students/Parents and Teachers matters. Our students are happy, cultured, enthusiastic, inquisitive, skilled, successful, healthy and safe. Learning is fun!

Our Vision

Our Vision is to develop all rounded, positive and accountable individuals who aspire to explore their full dimensions, we will achieve this by offering conducive, cheerful, challenging, safe and compassionate learning environment in which all are in same platform and all achievements are celebrated.

We believe in four aspects of children's learning

- **Resilience** – being able to lock on to learning (perseverance, managing distractions, noticing, and absorption).
- **Reciprocity** – being able to learn alone and with others (imitation, interdependence, empathy and listening, collaboration). These dispositions help children to increase their learning capacity.
- **Resourcefulness** – being able to learn in different ways (questioning, making links, reasoning, imagining).
- **Reflectiveness** – being able to become more strategic about learning (planning, distilling, and revising).

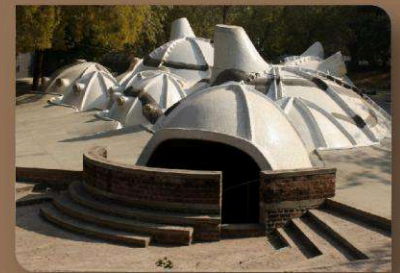

Transportation

We provide bus facility to the students and staff commuting from distant places. All the school buses have been furnished with CCTV cameras, GPS and one lady escort.

Smart Class

We provide smart classes for better concept formation, concept clarity, concept elaboration, improvement in reading skills and academic achievement.

Training / Field Trip

We Offer finishing school training & organize outdoor training programmes & adventure camps for students to generate confidence and dynamism in their personality to face the challenges of the competitive life.
